Since its introduction in 1997, the Porsche Boxster has earned a reputation as one of the world's greatest sports cars, as well as a huge, loyal following of devoted drivers. This book is aimed at those owners of Boxsters who want to improve their machines while avoiding thousands of dollars in mechanic's costs. Clearly and simply written, with straightforward illustrations, this manual offers 101 projects to help you modify, maintain, and enhance your Porsche. Focusing on the 986 and 987 Boxster models, 101 Projects for Your Porsche Boxster presents all the necessary information, associated costs, and pitfalls to avoid when performing a wide array of projects. In a word, it makes owning a Porsche Boxster an unqualified thrill.

Since its introduction in 1998, the water-cooled Porsche 911 has earned a reputation as one of the world's greatest sports cars - equal to, if not better than, the legendary air-cooled 911 it replaced. The 911 is a true driver's car, and it offers its greatest driving rewards when properly maintained, tuned, and modified. One of the principal drawbacks to owning a Porsche is the relatively high cost of maintaining it. You can literally save thousands of dollars in mechanic's costs simply by performing some of the work yourself. With 101 Projects for Your Porsche 911 996 and 997 1998-2008, written by renowned Porsche author Wayne Dempsey, you'll be able to get into the garage and work on your 911 with confidence. Created with the weekend mechanic in mind, this highly illustrated Motorbooks Workshop title offers 101 step-by-step projects designed to help you maintain, modify, and improve your late-model 911. Focusing on the water-cooled 996 and 997 models, this book presents all the necessary knowledge, associated costs, and pitfalls to avoid when performing an expansive array of projects. And besides the savings, when you personally complete a job on your Porsche, you get the added satisfaction of having done it yourself.

DIV/101 Projects for Your Porsche 911 996 and 997 1998-2008 offers 101 step-by-step projects designed to help you save thousands by maintaining, modifying, and improving your late-model Porsche 911 in your own garage./div

Stop! Don't buy a Porsche 987 Boxster or Cayman series without buying this book first! Packed with good advice from running costs, paperwork, vital statistics, valuation and the Porsche community, right through to whether your Porsche will fit in your garage and indeed, with your lifestyle. This is the complete guide to choosing, assessing and buying the Porsche 987 Boxster or Cayman of your dreams.

Straight from the auction block! Old Car Weekly's Old Car Auction Bible is your handy resource for collector vehicle auctions from all corners of the U.S. In it, the publishers of Old Cars Weekly and Old Cars Report Price Guide have compiled more than 40 important sales from around the country that can give hobbyists a true picture of what cars are selling for and where the collector car market is headed. All the big auction houses are represented: Mecum, Russo and Steele, Barnett-Jackson, RM Auctions, Auctions America, Worldwide, Bonham's, Gooding and many more.

Cars.

The definitive history of the entire Porsche 986-series Boxster, including an overview of all the models sold in each of the world's major markets. Packed full of information, with contemporary illustrations sourced from the factory, this book provides the perfect guide for enthusiasts, historians, and those seeking authenticity.

This all-color collection guides owners of pre-1990 Porsche 911s through 101 carefully selected, weekend projects illustrated with step-by-step, full-color studio photography. Divided into three categories-performance, handling, and customization-the projects range from 30-minute maintenance projects to eight-hour performance modifications; each is accompanied by a handy chart indicating how much skill, cash, and time are needed to successfully complete the task. Author Wayne Dempsey also explains why the jobs should be undertaken and what kind of improved performance the owner can expect. An unprecedented book, and a great resource for everyone from casual enthusiasts to shop pros.
