Germany was no exception; women began to hold demonstrations for women ' s suffrage there as early as 1910. They succeeded in 1919, when Article 109 of the Weimar Constitution stated that men and women have the same fundamental rights and duties as citizens, including the right to vote and to hold office.

This part of the [globalissues.org](http://globalissues.org) web site looks into the issue of women's rights. This is improving around the world, but many women still have to struggle far more than most may realize. The health and protection of the rights of women also has an impact on children and therefore society.
