Beyond the Brady Bunch: Hope and Help for Blended Families by Debbie Alsdorf, Ray Alsdorf: Amazon.co.uk: Kindle Store

A message of hope for blended families, from a couple who have been in the trenches - and made it. Blending a family is far more messy and complicated than any television show portrays. Beyond the Brady Bunch is a heart book, not a how-to book. Christians who find themselves in the midst of step-family life often feel hopeless and far from God, struggling with grief and unforgiveness. From personal experience the authors have found that all the how-to steps in the world don't work if there isn't first a heart change. Speaking with honesty and vulnerability they share their own mistakes and how God dealt with their hearts. The book will help stretch hearts, minds and homes past the image of "perfect" and another "happily ever after" into the hope of God's promise to restore, heal and rebuild.

Remarrying couples are looking for real answers to help them build successful marriages that last a lifetime. Knowing Gods plan for a biblical marriage is foundational to finding true fulfillment. This up-to-date and easy-to-use premarital guide will help individuals, couples, pastors, counselors, small groups, or premarital classes prepare for the adventure of remarriage. Couples will learn not only about each other, but also about themselves, their relational skills, and their compatibility as a couple. Sidebars from experts will discuss the spiritual, emotional, social, relational, and physical intricacies of being remarried and provide extensive resources for continued marital education and growth. Each chapter will also include a section called Plus! that deals with second-marriage challenges as well as Plus Kids! that deals with blended-family challenges.

This book is a collection of inspirational words, poems, and songs written by and for David McClain.

In celebration of the Brady Bunch's 50th anniversary, TV writer Kimberly Potts writes a Seinfeldia-like definitive history of the show that changed the family sitcom and made an indelible impact on pop culture. There isn't a person in this country who hasn't heard of The Brady Bunch. Whether it's the show they watched growing up, or the one their parents did--whether adored, or great to poke fun at--The Brady Bunch is unarguably one of the most enduring and inspiring TV shows of our time. It's lived a dozen lives, from its original comedy debut and big-screen movies, to the Emmy-winning TV auteurs it has inspired--everyone from Vince Gilligan to Jill Soloway--and promises to live many more. In *The Way We All Became the Brady Bunch*, TV and pop culture writer Kimberly Potts will draw upon her deep knowledge of and appreciation for The Brady Bunch and television and pop culture history, as well as her contacts, connections, and experience, to provide an industry insider narrative of The Brady Bunch. With fresh interviews, *The Way We All Became the Brady Bunch* will examine the show's lasting effects on its audience and take readers behind-the-scenes and into the lives of our most beloved characters, all to document why The Brady Bunch was one of the most groundbreaking shows of its time--and why it remains to this day, unforgettable.

From Bill and Pam Farrel, bestselling authors of *Men Are Like Waffles--Women Are Like Spaghetti* and *Red-Hot Monogamy*, comes a new book especially for dating and engaged couples. Filled with their trademark wisdom, humor, and insight, *The Before-You-Marry Book of Questions* will help couples delight in their differences plan their financial future sort through family obstacles lay a strong foundation for a marriage that goes the distance give their marriage to God With "his and hers" quizzes and ideas for dates where couples can talk openly and freely about their relationship and future, *The Before-You-Marry Book of Questions* is a practical and essential guide for any couple building a life together.

Queer Masculinities: A Critical Reader in Education is a substantial addition to the discussion of queer masculinities, of the interplay between queer masculinities and education, and to the political gender discourse as a whole. Enriching the discourse of masculinity politics, the cross-section of scholarly interrogations of the complexities and contradictions of queer masculinities in education demonstrates that any serious study of masculinity—hegemonic or otherwise—must consider the theoretical and political contributions that the concept of queer masculinity makes to a more comprehensive and nuanced understanding of masculinity itself. The essays adopt a range of approaches from empirical studies to reflective theorizing, and address themselves to three separate educational realms: the K-12 level, the collegiate level, and the level in popular culture, which could be called 'cultural pedagogy'. The wealth of detailed analysis includes, for example, the notion that normative expectations and projections on the part of teachers and administrators unnecessarily reinforce the values and behaviors of heteronormative masculinity, creating an institutionalized loop that disciplines masculinity. At the same time, and for this very reason, schools represent an opportunity to 'provide a setting where a broader menu can be introduced and gender/sexual meanings, expressions, and experiences boys encounter can create new possibilities of what it can mean to be male'. At the collegiate level chapters include analysis of what the authors call 'homosexualization of heterosexual men' on the university dance floor, while the chapters of the third section, on popular culture, include a fascinating analysis of the construction of queer 'counternarratives' that can be constructed watching TV shows of apparently hegemonic bent. In all, this volume's breadth and detail make it a landmark publication in the study of queer masculinities, and thus in critical masculinity studies as a whole.

While every new TV series has to face some problems, no show had to overcome greater obstacles than Gilligan's Island. In spite of that, no series has achieved greater success, as measured by the fact that Gilligan's Island has given rise to three TV movies, two animated series, and is the most rerun program in the entire history of television. Now, Sherwood Schwartz, creator, writer, and producer of Gilligan's Island, tells the life story of the show: from the labor pains of scripting, casting, and production to its golden years of afternoon reruns. Fascinating history that could be known only by the show's creator is enhanced by wonderful photos, sketches, and other illustrations from the author's personal collection, as well as the guest forewords by all seven "Castaways." An appendix lists plots, writers and directors for every episode. All this behind-the-scenes information makes the book a special treat, not only for fans, but for anyone interested in an inside look at the television industry.

For millions of people around the world, Carol Brady is synonymous with motherhood, but growing up as the youngest of ten children in rural Indiana in the aftermath of the Great Depression, Florence Henderson lived a life quite different from that of the quintessential TV mom she later played on television. Florence's father was a dirt-poor tobacco tenant farmer who was nearly fifty years old when he married Florence's twenty-five-year-old mother, and was nearly seventy when Florence was born. Florence's childhood was full of deprivation and abandonment. Her father was an alcoholic at a time when there was no rehab or help for the disease. Their home rarely had electricity or running water. When she was twelve, Florence's mother left the family to work in Cleveland and never returned. Florence opens up about her childhood, as well as the challenges she's faced as an adult, including stage fright, postpartum depression, her extramarital affairs, divorce, her hearing loss, and heart problems. She writes with honesty and wisdom of how her faith and ability to survive has brought her through rough times to a life of profound joy and purpose.

The quirky wisdom and sensible advice of *The Brady Bunch*, the first family of 1970s television, has been culled from five seasons of episodes and condensed into a pocket-sized guide to life, Brady style. It's the perfect kitschy slice of nostalgia for anyone who enjoys the occasional rerun of this TV classic.

Join the creator of Gilligan's Island for a three-hour tour! Just sit right back and you'll hear a tale, A tale of a fateful show, That started as just one man's dream, A long, long time ago. That man was a mightily wily guy, With smarts enough for eight. If the brass upstairs let him be, The program would be great. The program would be great. The meddlesome executives Blew up a mighty storm, If not for the courage of the fearless man, The program would be lost. The program would be lost. The show's preserved in the leaves of this Terrific kooky book. With anecdotes, synopses too, Rare photographs and drawings. The whole story And lots, lots more Are here Inside Gilligan's Island! Find out: Where the Howells got all those clothes! Learn: Did Gilligan and the Skipper ever get hurt when the coconuts hit them on the head? Discover: What was "Lovey's" real name? Imagine: What kind of a pet the studio almost gave Gilligan! Sing: The original lyrics to the theme song!
