For the past twenty-six years, legal and business professionals in the construction law industry have eagerly anticipated the annual release of this best-selling guide. The Construction Law Update chronicles and communicates changes in the construction law industry. Comprised of twelve informative chapters -- each written by an expert or experts in the field -- the 2019 Edition offers these contributing authors' timely, practical analysis on many current issues in the construction law industry. Construction Law Update brings you up-to-date with new developments impacting six major geographical regions of the United States: Southeast, Northeast, Southwest, West, Northwest, and Midwest. You'll discover what's happening in vital areas like: Developments in federal contracting Licensing laws Current standards under OSHA Surety bonds, indemnity claims and defenses The impact of cybersecurity and cyber threats on construction International arbitration in international construction projects And more! Note: Online subscriptions are for three-month periods. Previous Edition: Construction Law Update 2018, ISBN: 9781454899440.

Construction Law Update 2019, ISBN: 9781454899440

The Fourth Edition of the classic Construction Funding acquaints professionals and students alike with the critical tools needed for developing any successful real estate venture. Using a case example of an actual apartment development, Construction Funding walks the reader through each phase of the project, offering invaluable guidance on selecting markets, rating sites, choosing construction professionals, raising capital, understanding financing options, and mastering cash flow management.

Construction Funding 2019, ISBN: 9781454899440

Construction Guide provides CPAs with guidance on the accounting, auditing, and reporting that are particular to the construction industry. In addition, it provides CPAs with guidance on engagements for a wide range of situations, including those special to utility contractors, road builders, home construction, home builders, real estate developers, commercial construction, residential construction, and more. The book includes work programs, practice aids, checklists, and sample reports.

Real Estate Financing contains over 40 deal-specific forms and checklists online, covering everything from complex loan workouts to simple residential closings. The forms include information about each term and how it can be modified, with separate variations for lenders, borrowers or other parties. A "Data Input Sheet" lets you use the forms with widely available software and can serve as a "term sheet" for the transaction. The accompanying volume provides explanations of the issues along with the guidance you need to draft working documents quickly. Real Estate Financing includes: checklists for loan modifications; wraparound mortgage loans; subordinations; loans secured by condos, co-ops and time shares; sale-leasebacks; contingent interests; securitizations; deeds in lieu and consensual foreclosures; participations; installment sales; sales of mortgage loans; and much more. The checklists highlight "deal" terms, flag risks and hot issues, and direct users, through cross-references, to alternative approaches and analysis. Standards issued by ratings agencies for securitized loans are discussed in detail, as are the EPA and ASTM standards for Phase I environmental reports and the best Web sites for forms and drafting requirements. Book ? looseleaf, one volume, 1,550 pages; published in 1997, updated as needed; no additional charge for updates during your subscription. Looseleaf print subscribers receive supplements. The online edition is updated automatically. ISBN: 978-1-58852-076-0.
