~~Homepage—Dr. Benjamin Spock~~

Benjamin McLane Spock was an American pediatrician whose book Baby and Child Care is one of the best-selling volumes in history. The book's premise to mothers is that "you know more than you think you do." Spock was the first pediatrician to study psychoanalysis to try to understand children's needs and family dynamics. His ideas about childcare influenced several generations of parents to be more flexible and affectionate with their children, and to treat them as individuals. However, his theor
