Faculty/Staff Surveys • Institutional Strategy and Analysis

Following the 2018 Staff Survey each area of our university - including schools, faculties, divisions and the senior leadership team - has been working to create their own action plan to address the key issues raised.

Staff Survey | PositiveWorking@Bristol | University of Bristol

With staff attrition costs often cited as one of the major expenses of any business, pity the organisation that ignores the need to listen to their staff and collect regular staff feedback. When managed well, staff surveys can assist in increasing staff retention rates, lowering absenteeism, improving productivity, enhancing customer relations, and increasing profitability.

Staff Surveys | Tips for Conducting Successful Staff Surveys

University Staff Survey 2019 The first University-wide staff survey was conducted in March 2019. Further information on the survey can be found here. Nurturing a Culture of Mutual Respect Survey In the Summer of 2018 the University and Trade Unions conducted a staff survey on nurturing a culture of mutual respect.
