This is a directory of companies that grant franchises with detailed information for each listed franchise.

This is a directory of companies that grant franchises with detailed information for each listed franchise.

As one of the most noteworthy and popular sociology books of all time, The McDonaldization of Society 6 demonstrates the power of the sociological imagination to 21st century undergraduates in a way that few other books have. This engaging work of social criticism is praised for sparking debate in and out of the classroom and for allowing students to read in depth on a small number of fascinating topics, and it vividly demonstrates the relevance of Weber's discussion of rationalization (the basis of McDonaldization) to the everyday life of today's student. New and Retained Features: * Links a large number of social phenomena to McDonaldization, some which are directly impacted by the principles of the fast-food chain and others where the effect is more tenuous * A new final chapter (10) on 'The DeMcDonaldization of Society!' examines the processes of deMcDonaldization and concludes that while it is occurring on the surface, McDonaldization is alive and well for example, in the structures that underlie Web 2.0* Many new and updated examples are from the digital world, keeping the text ultimately relevant for the contemporary student reader * Addresses the advantages of McDonaldization, then focuses on the problems and dangers it poses and looks at efforts to deal with those challenges * Examines the link between McDonaldization and globalization * Challenges the reader to rethink McDonaldization as part of the structure of society and to act to reverse the trend towards it

The Quick Service Restaurant, more commonly known as the Fast-food Restaurant is a specific kind of restaurant format that serves fast food cuisines like Pizza, Burger and requires minimal table service. Major fast-food chains in India include KFC, Dominos, Starbucks & Pizza Hut. It is one the most lucrative restaurant formats among all and thus has also become the most popular choice of food business among the restaurateurs. The takeaway restaurant or QSR format seems to be the most practical format, as the return on investment is high. In this book, you will discover: - Glossary - What is QSR? - To Franchise Or Not To Franchise - Do Your Homework - The 5 Key Points Of A Successful QSR Business - Basic Operations Get your copy today!

"A highly readable and approachable account of the sociology of work... a first-rate introductory text that is sure to become essential reading for students, teachers, and researchers." - Jason Hughes, Brunel University "An excellent text. Its comparative and historical sweep is particularly welcome and the analysis provided is thoughtful and well grounded." - John Eldridge, University of Glasgow "An invaluable and up-to-date text for students and researchers. Detailed and wide-ranging in its scope it is an excellent source of materials combined with a thought provoking and challenging set of arguments." - Huw Beynon, Cardiff University Stephen Edgell's book charts the rise of 'work' and explores all aspects of work including paid and unpaid, standard and non-standard and unemployment. New material has been incorporated covering the theories and practices of globalization, interactive service work, economic crisis, technological and organizational change, and trade unions. Drawing on classic and contemporary theorists, the book: Covers key issues regarding paid industrial and service sector work: alienation, skill, post-industrial society, network enterprises, flexibility, Fordism, neo-Fordism, post-Fordism, McDonaldization, emotional labour, destandardization and the social impact of unemployment. Discusses key issues regarding non-paid work: domestic work as 'work', the impact of technology, symmetrical family thesis, the impact of feminism, and globalization. Provides student friendly pedagogy: suggestions for further reading, questions for discussion and assessment, an extensive glossary and links to key websites and downloadable articles. This latest edition will be welcomed by lecturers and students wanting an authoritative guide to the sociology of work.
