such as Frank Sinatra and Marilyn Monroe and did business with agents ranging from the CIA to the Vatican to the Shah of Iran. When politician Joe Kennedy gave Giancana the chance to use mob muscle to get his son John elected, Giancana jumped at the task. But the Kennedy brothers double-crossed him, waging full-out war on organized crime throughout the United States. And Giancana went after them. Written with suspense and conviction, we learn about how the CIA asked Giancana to assassinate Fidel Castro. The book includes Giancana's testimony about the truth of his involvement in the deaths of Monroe and others, among others. Chuck Giancana, Sam's brother, contributes a unique perspective of the mob's relationship with the Bay of Pigs and many other pivotal events of the '60s and beyond. Double Cross is an eye-opening account of the interworking of the government and the mob and how this relationship has impacted American history. "Sam Giancana tells all. . . . Controversial. . . . Ties seven United States presidents to the mob." —Larry King, CNN "Amazing and shocking disclosures." —New York Daily News "This book solves almost everything." —Washington Post Book World

The Italian-American mafia has its roots in a mysterious and powerful criminal network in Sicily. While the mythology of the mafia has been widely celebrated in American culture, the true origins of its rituals, laws, and methods have never actually been revealed. John Dickie uses startling new research to expose the secrets of the Sicilian mafia, providing a fascinating account that is more violent, frightening, and darkly comic than anything conceived in popular movies and novels. How did the Sicilian mafia begin? How did it achieve its powerful grip in Italy and America? How does it operate today? From the mafia's origins in the 1860s to its current tense relationship with the Berlusconi government, Cosa Nostra takes us to the inner sanctum where few have dared to go before. This is an important work of history and a revelation for anyone who ever wondered what it means to be "made" in the mob.

Sammy the Bull Gravano is the highest-ranking member of the Mafia in America ever to defeat. In telling Gravano's story, Peter Maas brings us as never before into the innermost sanctums of the Cosa Nostra as if we were there ourselves--a secret underworld of power, lust, greed, betrayal, and deception, with the specter of violent death always waiting in the wings.
