Media convergence,

# Acces PDF Media

## Convergence Networked

phenomenon involving the  
interconnection of  
information and

communications technologies,  
computer networks, and media  
content. It brings together  
the “three C’s”—computing,  
communication, and

Access PDF Media  
Convergence Networked

content—and is a direct  
consequence of the  
digitization of media  
content and the  
popularization of the  
Internet.

~~Media convergence +~~

# Acces PDF Media Convergence Networked ~~Britannica~~ Digital Media In Everyday Life

Media convergence can mean one of two things: Either the merging of previously distinct media technologies resulting from digitization and computer networking—some of which are covered

elsewhere in this article—or  
an economic strategy in  
which the media properties  
owned by communications  
companies employ  
digitization and computer  
networking to work together.
