North Hants Golf Club was an ambitious project when it was opened in 1904 by Princess Alexander of Teck. It offered the ethos of a gentleman's club to attract members from London and the atmosphere of an American Country Club with, in addition to a fine golf course, lawn tennis courts and croquet lawns of the highest quality.

The North attempted, largely unsuccessfully, to ensure the political enfranchisement and socioeconomic equality of African Americans in the South during the Reconstruction period (1865–77). Meanwhile, the North itself was experiencing an unprecedented period of economic growth as it underwent industrialization. As the 19th century progressed, the North, particularly the Middle Atlantic states ...

The North is the principal region of the Kingdom of the North. It was formerly one of the constituent regions of the Seven Kingdoms after the Targaryen conquest, but seceded during the War of the Five Kings under King in the North Robb Stark. Following the Red Wedding, the North returned to the jurisdiction of the Iron Throne under House Bolton. After House Stark regained control of the region ...
