Overview. The SOAS Politics, Economy & Law BA (Hons) degree takes a transdisciplinary approach to the study of politics, law and economy. The programme of study is situated within global and non-western contexts, including Asia, Africa, the Middle East and the Americas, drawing on SOAS' unique and internationally renowned approach to these fields. It will examine how each is constituted, gives life to specific social formations, and shapes the most pressing issues of our time.

## BA Politics, Economy & Law (2021 entry) at SOAS University ...

Metrics. Book description. In an era of increased reliance on private regulatory bodies and globalised economic activity, standardisation is the field where politics, technical expertise and strategic behaviour meet and interact. International standard-setting bodies exemplify the rise of transnational governance and the challenges that it brings about relating to institutional choice, legitimacy, procedural and substantive fairness or transparency.
